Subject: Call-In Number for April 7 Columbia Basin/EPA Call

FAX LETTER

March 29, 2000

TO: Columbia Basin Tribal Contacts

FM: Doug Cole, Tribal Program Coordinator

RE: Update on Columbia River Water Quality Plan/Mainstem TMDL Activities

THE CALL-IN NUMBER FOR THIS CALL IS (b) (6) #

This is to notify and invite your participation in a tribal/EPA Region 10 conference call on April 7, 2000 from 9:30-11:30 AM PST, to discuss matters related to the Columbia River Water Quality Plan/Mainstem TMDL. There isn't a phone number set as yet, so you'll receive a follow-up note which will provide the . This conference call is the first of what we hope will be a continuing series of calls with tribal representatives on matters related to the Columbia River Water Quality Plan/Mainstem TMDL. The tentative agenda for the call is as follows:

1. Introductions
2. Summary of March 9, 2000 Tribal Leaders/EPA R-10 Meeting
3. Next Steps - Columbia River Water Quality Plan/Mainstem TMDL
4. April 20 Tribal/State/Federal coordination meeting on the Biological Opinion

If you have other items you wish to have added, please contact Doug Cole at 208-378-5764.

If you are able to participate in the call, please let me know no later than Tuesday, April 5, 2000, by either calling or sending an e-mail to "cole.doug@epa.gov". We only have 20 lines available on the conference call, and if participation exceeds that number, arrangements need to be made to increase the number of lines.

We look forward to talking with you on April 7.

Sincerely,

Doug Cole
Tribal Program Coordinator

→ Elevated levels of gas leaving
Moses Squeal - ~~summary~~ concerned about idea of EPA having
"hands-off" - uniqueness of tribal interests throughout region - be looking
for that -
